SUMMER 2017 MID SEASON NEWSLETTER - JULY 2017

WINTER SEASON REGISTRATION: NOW OPEN!

If you're looking to retain your league position from the end of the last winter season, please AT LEAST write the names of your players on the form. Don't let the signatures hold up getting the form and payment to us.

Registration WILL CLOSE when the league is full, or on Sunday 6th August, whichever is the sooner... Even if you won the Premier Division last winter, if you're too late you'll miss out!

REGISTRATION CLOSSES 6TH AUGUST LATEST!

PRESENTATION NIGHT - #PRESFEST IS COMING!

Following the fantastic success of #PresFest last year at the Gardeners Arms, we're doing it all again!

This time it will be held at the Obelisk Pub on Saturday 16th September. The fun starts at 2pm with the Presentation around 6pm. All players are more than welcome to bring their friends and family as there's a large garden and play area for the kids.

More details will be posted as and when they're confirmed.

REMEMBER: Trophies will **only** be available to collect on the night so please ensure you're there to get yours.

SMILE4WESSEX

The SRPL Committee are proud to announce that our chosen charity for the next couple of seasons will be Smile4Wessex, a charity that is dedicated to providing support for the Wessex Neurological Centre at Southampton General Hospital.

All money raised from the competitions running at the Presentation Night will go to this very worthy cause.

NEW TEAMS AND TEAMS CHANGING VENUES

We've been asked what the process is for new teams joining the SRPL and what happens when a team wishes to move venue. Here's the guidelines:

- When a new team joins the SRPL they will always start from the bottom division of their league in the winter season.
- Should a current team wish to move venue and keep their league position, the committee will contact their landlord/lady to confirm whether they're happy for them to do so. Should the landlord/lady wish to retain their league position, the moving team will start the winter season in the bottom division.

REMEMBER: Your team represents the venue you play from, therefore should you wish to retain your league position in a new venue you will need your current venue managers permission.

TEAMS SPLITTING UP

Should a team split up and some of the players move to a new venue, they will only be entitled to retain their previous league position if their previous venue doesn't wish to retain it AND the new team consists of over half of the original team. ie. 1 or 2 players leaving a team doesn't entitle them to retain their league position at a new venue.

NEW WEBSITE NOW LIVE!

Over the last few months your hard working Chairman has been busy beavering away at bringing the SRPL website up to modern standards; making it a delight to browse whether you're on a large screen PC or a 10 year old iPhone.

It's still a wealth of information, including over 11 seasons of history, and all the latest fixtures and team details so check it out, and if you're at the Presentation Night, feel free to buy me a drink. 🍺

Thanks for reading and don't forget to register your team!

REGISTRATION CLOSSES 6TH AUGUST!

Have a great summer break!
