

WINTER 2018/19 NEW SEASON NEWSLETTER - SEPTEMBER 2018

WINTER SEASON STARTS 4TH SEPTEMBER 2018

Yet another great response to registration means that we're back as strong as ever with **35** teams on Tuesday and **49** on Thursday including multiple new teams. If you're interested on how the divisions were worked out, head over to the **TABLES** page on the website where there's a link to the workings.

It's worth noting that we populate the divisions based on the order we received both payment and completed forms and this time we *very nearly* had to deny entry to the last couple of teams to pay their fees. While we never want to see a team miss out, we can only do so much when we receive 1 or 2 teams more than the ideal number. So *please* make sure to get your registration completed well before the deadline to ensure your team is playing pool for another season.

DATE FOR THE DIARY - SAT 15TH SEPTEMBER

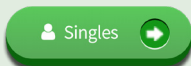

Presentation Night for the Winter 2017/18 and Summer 2018 seasons this year will be held at the **Saints Pub** from 2pm til late.

There will be live entertainment, food, competitions and more as well as an impressive display of over 350 trophies to give out!

The entire event is courtesy of the SRPL so bring your family and friends too! The presentation is scheduled for 6pm should you wish to only attend to collect your trophy, but we hope you join us for a drink and bite to eat too.

SINGLES & DOUBLES COMPETITIONS

We had over **100** entries to the Winter Singles competition and over **50** for the Doubles. Fixtures for both these competitions are on the website now.

Please note: players will need to have played at least 1 frame for their SRPL team before the stated deadline or face elimination from the competitions.
