

WINTER 2019/20 NEW SEASON NEWSLETTER - SEPTEMBER 2019

WINTER SEASON STARTS 3RD SEPTEMBER 2019

It all starts again on the 3rd September with the SRPL Winter Season! We had a great response to registration with **30** teams on Tuesday and **44** on Thursday and the usual flurry of entries in the last few days. The Tuesday night entry was capped at 30 teams which meant one team were turned away and will miss out on retaining their league position. You may have seen that the last available space was posted on the Facebook group after registration closed and was then claimed by an existing team within minutes.

We mention it every time that spaces are limited but too many teams still leave it to the last minute to join and risk missing out.

REMEMBER: GET IN EARLY TO AVOID DISAPPOINTMENT!

DATE FOR THE DIARY - SAT 21ST SEPTEMBER

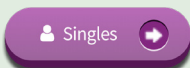

Presentation Night for the Winter 2018/19 and Summer 2019 seasons this year will be held at the **Shooting Star Pub** from 6pm til late.

There will be live entertainment, food, competitions and more as well as an impressive display of over **370** trophies to give out!

The entire event is courtesy of the SRPL so bring your family and friends too! The presentation is scheduled for 7pm should you wish to only attend to collect your trophy, but we hope you join us for the live music courtesy of **Saucy Jack** and a drink & bite to eat as well.

SINGLES & DOUBLES COMPETITIONS

We had **75** entries to the Winter Singles competition and **43** for the Doubles, both down on last Winter for one very simple reason; **too many people relied upon others to get themselves registered & didn't check they were in! Remember for next time...**

Please note: players will need to have played at least 1 frame for their SRPL team before the stated deadline or face elimination from the competitions.
